The Economy in 2009

- AUMA is prepared to strongly support the Government of Alberta as it responds to an economic downturn.
- Costs of construction are now decreasing, and investment in public infrastructure should now rise.
- We believe that both orders of government can partner in the good times , as well as the bad times, through a new, more mature relationship.

The Throne Speech

- Municipalities appreciate the focus on future to maintain confidence in Alberta
- We are ready with programs to leverage public infrastructure investments
- It is imperative that the integration of ambulance and emergency medical services be an immediate priority

2009 Provincial Budget Submission

- AUMA's Core Recommendation:
using the *Framework for a Provincial-Municipal Sustainability Partnership Agreement*, discuss with Alberta municipalities a new permanent relationship with objective-based, annual transfers.

AHEAD. TOGETHER.

How will this help going forward?

- Allows for better planning, permanence and predictability for both orders of government
- Streamlines and simplifies complex government programs and processes
- Builds-in accountability measures to ensure key objectives are being met

AHEAD. TOGETHER.

How would this help right now?

- In an environment of economic instability:
 - *Increases accountability*
 - *Improves reporting of results for dollars invested in municipalities*

AHEAD. TOGETHER.

Future of Local Governance

In 2009, AUMA will:

- Review the current state of local governance;
- Develop clear options for more effective local governance;
- Consider the risks, benefits and incentives required for change; and
- Review examples of local government restructuring outside of Alberta.

GreenTRIP Program

- We appreciate the leadership the Province has shown in establishing the GreenTRIP program.
- AUMA looks forward to seeing more details in the upcoming budget
- We invite the Province to work with us and our members in developing a Provincial Transit Strategy to coordinate transit planning and funding order to maximize the impact of investment.

Upcoming AUMA Meetings and Events

President's Summit on the Future Role of Municipal Governance:

- April 30 to May 1, 2009
Red Deer.

2009 Annual Convention:

- November 4-6, 2009
