Learn about our unique MEMBER BENEFITS

Our members are a community; people who share common beliefs and who've made a commitment to responsible pet parenting.

So to help make the tough times a wee bit easier, we've added these Petsecure Member Benefits:

As a Petsecure member, you'll be reimbursed for up to 80% of the cost of care and veterinary services. This includes x-rays, hospitalization, surgery and even prescriptions required for any accident or illness.

You can protect any age or breed of dog or cat. You can visit any licensed veterinarian in Canada. And, we offer multi-pet discounts.

Exclusive to Petsecure:

Our Secure For Life™ Guarantee

We guarantee that, so long as you stay enrolled with Petsecure, you can continue to cover your pet, no matter what their age or condition.

Coverage That Renews Annually

Once you've chosen your ideal level of Petsecure coverage, those same amounts (for each accident and illness) will renew automatically, every year for the life of your pet.

Unlimited Lifetime Coverage

As a Petsecure member, there's no lifetime limits to what you can claim on accidents and illnesses. Considering the advances in veterinary care available, your total Petsecure benefits paid could exceed \$20,000, \$30,000 or even more over your pet's lifetime!

Customize Your Pet's Protection

With 4 levels of coverage to choose from, and multiple deductible options, you can design Petsecure to meet your pet's needs, and to fit your budget.

*Find out why we're Canada's largest,
most-established pet health
insurance company:*

Since 1989 we've lead the marketplace in providing Canadian pet parents with innovative coverage that meets their diverse and changing needs.

Petsecure is designed by pet parents and veterinarians. With one easy-to-understand plan that offers a range of coverage, and provides every insured pet with our Secure For Life™ Guarantee, plus the choice of preventive care.

Fast and simple claims! Our in-house claims team turns your claim around within 5 business days (on average, from the time we receive your complete claim).

There's no age limit and your premiums won't increase as a result of your pet's age.

Coverage for accidents begins within 48 hours, and illnesses within 14 days of enrollment. Preventive coverage on the *Secure 4* plan begins immediately.

*Our goal: to ensure pets enjoy longer,
fuller and healthier lives and that*

Petsecure is SIMPLE.

Security comes from understanding. That's why we've designed our coverage, claim forms and policy documents to be easy to read and use. Understanding is the first step towards ensuring you have the best coverage for you and your pet.

Petsecure is HONEST.

Security comes from trust. That's why you can be assured we will always provide a sincere, straightforward and speedy response to any inquiries – whether it's about your policy, coverage or claims.

Petsecure is CONNECTED.

Security comes from a sense of belonging. That's why you can feel good knowing that even when you don't need to claim, your premiums are still helping to ensure pets receive the protection, care and access to treatment they need.

Petsecure is GIVING.

Security comes from knowing you've helped others. That's why we proudly give back by providing resources, volunteers, and support to Canadian shelters, humane societies, rescue groups, breed clubs and veterinary associations.
