Engagement Update

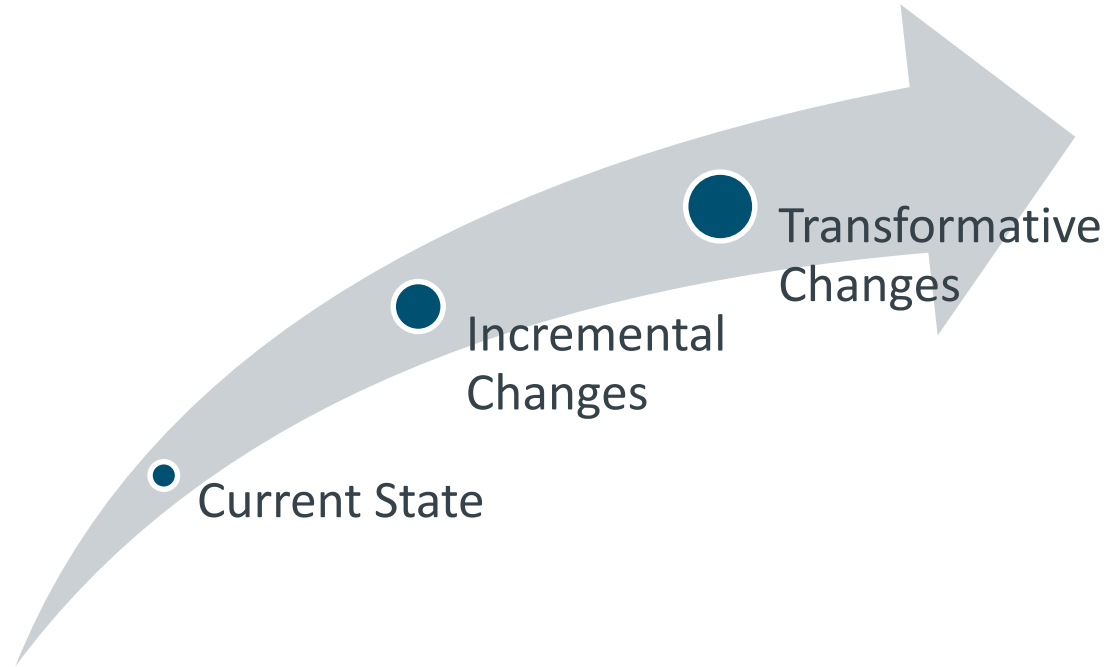

# Subtopics

---

# Moving Forward

---

# Public Trust

---

# Public Trust

## Restorative Justice

More opportunities for matters to be diverted from the Court system

---

## Body-worn Cameras

Strong support for both body worn and vehicular cameras, with clear policies around their use

---

## Lived Experience

Officers need to understand the unique needs of the marginalized community members they serve

---

## Ongoing dialogue

Ongoing conversations to enable collaboration between government and community group to co-determine solutions to systematic issues

---

# Public Trust

# Complaints

---

# What we heard

## Independent

Overwhelming consensus as to the need for an independent complaints body

## Time to File

12 months seen as insufficient given the current inability to allow for extensions for compelling reasons.

## Complaint Jurisdiction

Determine solution for addressing loss of jurisdiction for complaints when an officer retires or resigns

## Third Parties

Current legislation does not allow for third-parties to lodge complaints.

# Indigenous Policing

---

## What we heard

Communication

Cultural Awareness

Equity

## Potential Paths Forward

Creation of Indigenous advisory body

Legislation or policing standards requiring ongoing locally-based cultural education

Determine path forward with the Federal Government

# Indigenous Policing

---

## What we heard

Bylaw Prosecution

Recruitment

Restorative Justice

## Potential Paths Forward

Conversations between federal and provincial government

Provincial Cadet Program / Mentorship

Expand provincial mandate for restorative justice

# Governance

---

# Governance- What we heard

1

## Commissions

- General agreement that they operating effectively
- Additional support would be welcome in the areas of
  - Training
  - Policy
  - Recruiting
  - Clarity between operations and oversight

2

## Committees

- Looking for more wholesale change
- Medium sized municipalities and smaller municipalities have different needs and resource abilities
- Additional support would be welcome in the same areas as commissions

# Governance- What we heard

1

## Commissions

- Utilize AAPG or Interim Police Funding Advisory Board to provide support for both commissions and committees on
  - Training
  - Policy
  - Clarity between operations and oversight

2

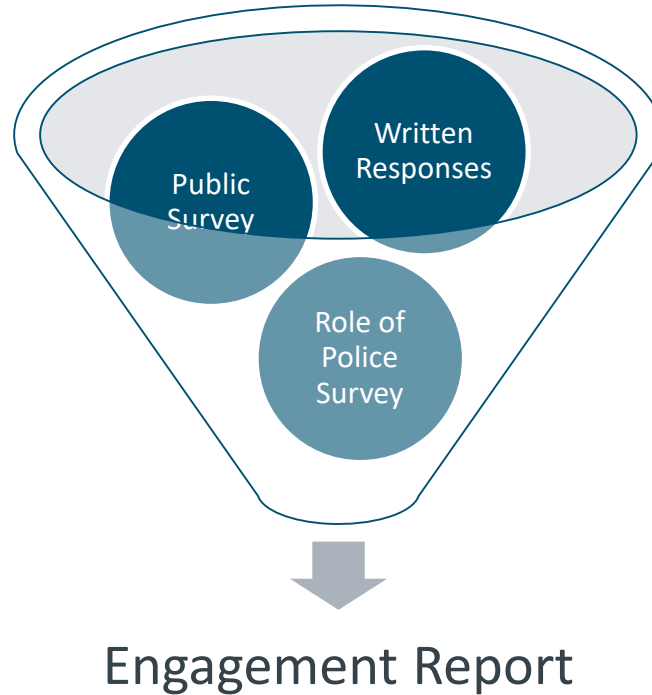

## Committees

- Regional model based on service area
- Medium sized municipalities desire more authorities similar to commissions (and be required vs. optional)
