## HEAVY URBAN SEARCH AND RESCUE: SUPPORTING CANADIAN PREPAREDNESS

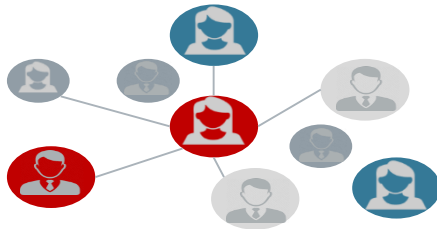

### PROVEN IN EXPERIENCE:

- 2017 BC Wildfires, Tappen Landslide
- 2016 Fort McMurray wildfire; Eastern Manitoba wildfire & Chase Marten Search (Austin, MB)
- 2014 Oso landslide
- 2013 Southern Alberta floods
- 2012 Elliot Lake Mall collapse; Johnson's Landing landslide
- 2011 Goderich tornado; Slave Lake fire; St. Laurent flooding/structural damage
- 2009 Portage La Prairie structural collapse
- 2005 North Vancouver landslide; Hurricane Katrina; Elie, Manitoba tornado

### STRENGTH IN DIVERSITY:

Team members are trained in multiple skill sets and can function in a range of positions. This depth of skills and abilities means our Task Forces are prepared for both a HUSAR and all-hazards disaster response.
